THE MILWAUKEE RADIO AMATEURS' CLUB INC.

Field Day 2001 – Special Achievement Award

This gratefully acknowledges the contributions of

Brian White K9LCQ

For contributing time and his own personal equipment to operate an APRS demo station and satellites at Field Day of the Milwaukee Radio Amateurs' Club. This marked the first time that MRAC successfully completed a satellite contact. This is also to thank Brian for managing the Field Day operations for 2000 and 2001 including scoring.
